Dear Families of Rockingstone Heights School,

It is hard to believe the end of the school year is coming! We are planning lots of end-of-year events! But before we get to that, we want to remind parents of grade 3 and 8 students that your child will be writing provincial assessments this year. This information is important as it gives the province a sense of where our students are (as a system) in relation to the curriculum. Information pamphlets will be sent home with more information.

MASKING – At this point masks are still required in the building and at school events. I believe that after the May long weekend the province was going to revisit this protocol.

As a staff we will be planning next year's classes and class lists. Please reach out if you have any specific concerns. Our classes are dictated by enrollment and class cap sizes.

Do you know anyone who has children who can register for Pre-Primary (born in 2018) or Primary (born in 2017)? Please encourage them to register!

We are planning a grade 8 closing on June 23 from 10:00-11:00 am. Grade 8 parents should SAVE the DATE. Details to follow.

The P-2/3 classes are planning a trip to Shubenacadie Wildlife Park. We are still working on transportation! Again, details to follow.
