Welcome Back to School!

Dear Families of Rockingstone Heights School!

We are so excited to be back and to be back with no COVID restrictions. We will continue making masks available and hand sanitizer will be available. Please continue to keep your child home if they are unwell. Anytime you have questions regarding COVID and potential symptoms please call 811 for guidance.

Pre-Primary families will be contacted directly by their teachers for information about opening day.

All other students will begin outside on Sept. 7. Classroom teachers will be circulating and meeting their students. See below for door entry. Junior High students will begin their day in their homerooms.

We will start our official Breakfast Program the following week. Students are welcome to stay for lunch immediately. Next week we will be sending lunch forms home to confirm your child's enrollment.

Please refer to the previous email for the new safe arrival system and ways parents can report absences.

We understand that with inflation the cost of living has increased considerably. Please reach out if purchasing supplies is challenging. NO child will be without, and we will make sure they have what they need.

A more detailed email for the month of September will be coming out!

Amy Weedon & Greg White (Administration Rockingstone Heights)
